

## SAFE, EASY... EASYLOC

(j) Additional Information: www.elaflex.de/en/easyloc

The new Camlock couplings 'Made by Elaflex' are guaranteed to EN 14420-7 in every aspect. They are reliable, leakproof and operationally safe.

Female couplers are also available now in **EASYLOC** version, with automatic lever lock to avoid unwanted disconnection during operation e.g. due to excessive pulsation or operator error.

Easy and self-explanatory use, made of stainless steel, available ex stock in sizes DN 19 to 50 mm. As coupler with BSP female thread, hose coupling or dust cap.
