

Perfect Connections.

**Quality Refuelling
Equipment from the
Specialist.**

**Hose
assemblies
you can rely on.**

Experience at your disposal:
Elaflex dates back to 1923.

Our name stands for single
source, consistent high quality
refuelling equipment,
made in Germany.

Assured safety and performance
when combining hose and
couplings as an assembly for
hazardous cargo – tested and
certified.

Alternatively, Elaflex components
are also suitable for a safe
self-assembly from the coil.
