Slimline 16 AdBlue Hose Assemblies

A consistent AdBlue® (DEF) quality from 'Terminal to Nozzle' must be assured to ISO 22241.

Elaflex supplies **Slimline 16 AdBlue** hose assemblies for the refilling of cars and commercial vehicles:

- in combination with our stainless steel hose couplings, the plasticizer-free and leaching resistant lining guarantees constant AdBlue® purity
- smooth and highly flexible cover provides for a comfortable and effortless dispensing
- available in black or blue for easy product recognition
- perfectly suitable for MPD hose retraction systems

AdBlue® is a registered trademark of VDA.
