Vaterverschraubungen mit Schraubhülsen - Einband, geeignet zur Selbstmontage. Entsprechen DIN EN 14424 und Bundeswehnorm VG 95951. Nenndruck bis 25 bar. Chemische Beständigkeit siehe Seite 250.

Hose couplings (ferrule type) with male thread, suitable for self-assembly. Working pressure up to 25 bar. Meet EN 14424. Chemical resistance chart see page 250.

Kontrollfenster / control opening

Schlauchstutzen und Hülse: Messing blank gebeizt

Type V

Hose tail and ferrule of brass

Schlauchstutzen und Hülse: Messing blank verchromt

Type V-cr

Hose tail and ferrule of brass, chrome plated

Schlauchstutzen aus Edelstahl 1.4571. Hülse aus Messing blank verchromt

Type V-SS

Hose tail with male thread of stainless steel 1.4571. Ferrule of brass, chrome plated

G = Gewinde nach DIN EN ISO 228
G = acc. to EN ISO 228 / BSP parallel

Werksmontierte Hülsen-Vaterverschraubungen, nicht demontierbar.

Schlauchstutzen und Hülse Messing (cr: verchromt)

Type V-NR

Hose tail and ferrule of brass, (cr: chrome plated)

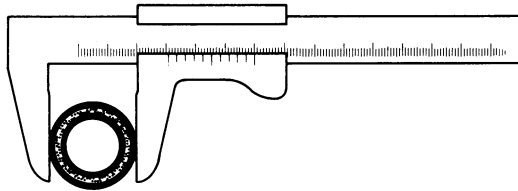

Factory assembled hose couplings (ferrule type), non-reatachable.

Hülsen-Vaterverschraubungen 'V'

Montage von Schraubhülsen-Einbindungen · Assembly Instructions Ferrule Type

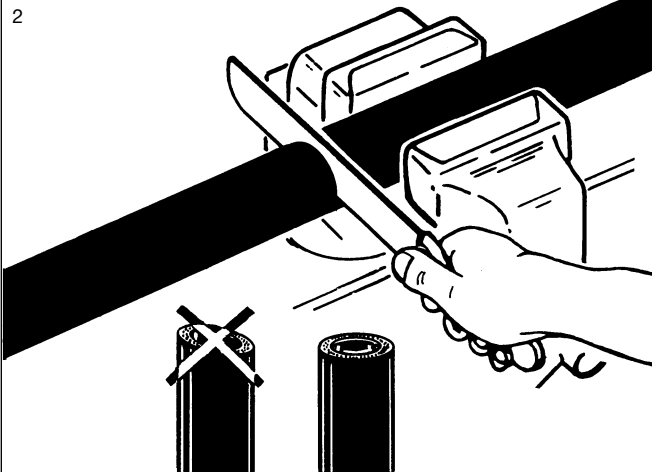

1

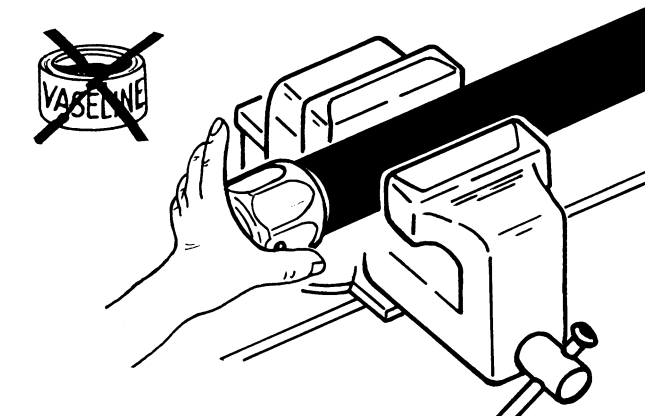

Als Voraussetzung für eine betriebssichere Montage muss der äußere Durchmesser des Schlauches dem umseitigen 'OD'-Maß entsprechen. Maximale Toleranz $\pm 0,5$ mm

Before assembly please check whether the outer diameter of the hose conforms with the 'OD' measure listed overleaf. Maximum tolerance for safe assembly $\pm 0,5$ mm

3

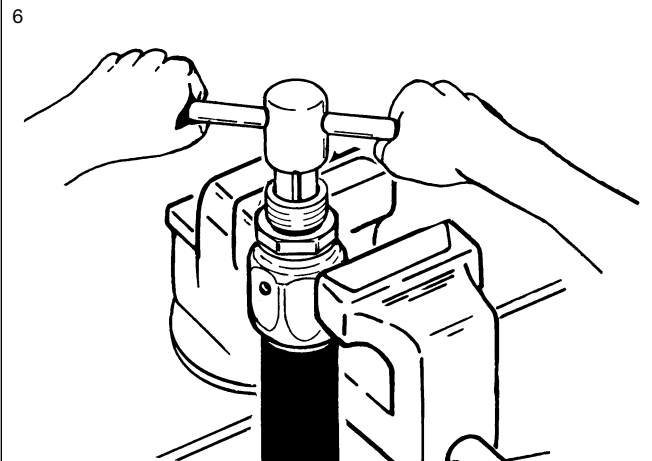

4

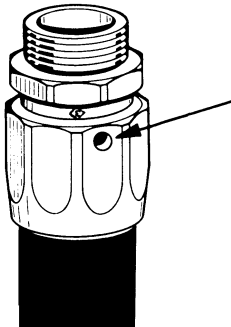

5

6

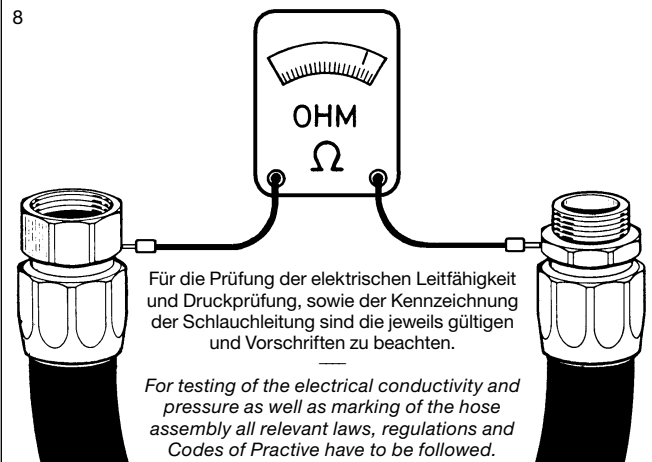

7

Nach Montage des Stutzens prüfen, ob das Schlauchende noch im Kontrollfenster zu sehen ist.

After assembly of the hose tail please check whether you can see the end of hose through the control opening.

8

Für die Prüfung der elektrischen Leitfähigkeit und Druckprüfung, sowie der Kennzeichnung der Schlauchleitung sind die jeweils gültigen und Vorschriften zu beachten.

For testing of the electrical conductivity and pressure as well as marking of the hose assembly all relevant laws, regulations and Codes of Practice have to be followed.
