

# Small. Red. Easy.

**Lever**<sup>®</sup>  
Assist

ELAFLEX's new LeverAssist<sup>®</sup> – the perfect solution for countries where nozzle latching is not permitted. For an easier handling of ZVA Slimline 2 and ZVA Slimline 2 GR.

- Helps to hold the lever open without latching or blocking it
- 90% reduction in the hold-open force
- Self-explanatory, easy to operate
- Low cost retrofitting possible
