

'FHD' Bunkering Hose: The Tough Performer.

 Additional Information:
www.elaflex.de/marine-hoses

Premium quality by Elaflex, since 1967. **FHD** bunkering hoses meet the latest EN 1765-Type L and VG 95955 military standard. They are reliable, field proven and certified. Available ex stock, quick delivery worldwide, after sales support is provided wherever needed.

FHD can be reeled up flat and handle your roughest working conditions, exposure to ozone and all weather conditions, either in the arctic, tropics or wherever – day after day, year after year.
