

Manufacturer Declaration

(EC – Directive 2014/34/EU / ATEX)

**ELAFLEX - Gummi Ehlers GmbH
Schnackenburgallee 121**

**D - 22525 Hamburg
Germany**

We hereby declare, that

the ELAFLEX hoses ELAPHARM OHM manufactured by ContiTech Schlauch GmbH, Korbach, are electrically conductive and do not have ignition sources. Therefore these hoses and hose assemblies are not covered by ATEX.

ELAPHARM OHM hose assemblies can be operated within equipment (technical systems) group II, category 2, in compliance with the EC-Directive 2014/34/EU (ATEX). Its electrical conductivity fulfils the requirements of the standards DIN 26055-3 (Elastomeric hoses with or without liner) and IEC 60079-32-1 paragraph 7.7.3 (Hoses and hose assemblies).

It has to be ensured, that the hose assembly will only be operated when the equipment itself fulfils the requirements of the EC-Directive 2014/34/EU (ATEX).

Hamburg, January 2016
